

# Financial Assistance Scale for Individuals

We believe money should never stand in the way of good counseling. We also believe that clients are adults and are well aware of what they can afford to pay. So we never request proof of income. We simply ask that you refer to the chart below. These are guidelines for what you might commit to pay depending on income. We trust and honor your decision.

<b>Total Household Yearly Income</b>	<b>Payment</b>
\$80,000-\$70,000.....	\$80
\$69,999-\$60,000.....	\$70
\$59,999-\$50,000.....	\$60
\$49,999-\$40,000.....	\$50
\$39,999-\$30,000.....	\$40
\$29,999-\$20,000.....	\$30
\$19,999-\$10,000.....	\$20

# Financial Assistance Scale for Couples

We believe money should never stand in the way of good counseling. We also believe that clients are adults and are well aware of what they can afford to pay. So we never request proof of income. We simply ask that you refer to the chart below. These are guidelines for what you might commit to pay depending on income. We trust and honor your decision.
